

Stop, Drop & Roll

If your clothes catch fire, do you know what you should do? Don't run. Running can make the fire spread. Instead . . . Stop, Drop and Roll

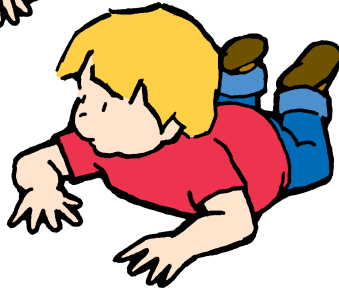

STOP

where you are.

DROP

to the floor or ground. And,

ROLL

over and over until the flames go out. (Don't forget to cover your face with your hands.)

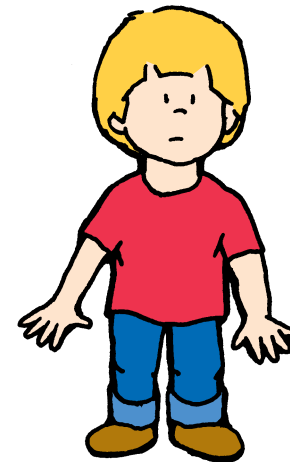

After you've put out the flames, call a doctor or ambulance.
